Presidents Report from Diane Wespiner

We will no longer be able to use the Rocky Hill Co Housing meeting room and we will need to find another place when we resume in person meetings. It will likely cost more, but as we are in good shape financially that should not present a problem. Members were asked to be on the lookout for potential places, preferably along the I91 corridor.

There will be a survey shortly on members' preferences for meeting in person, when we should start and with what pandemic precautions.

Program Committee. Lauren Price needs to step down and we are looking for someone to fill her (large) shoes. Contact Betsey Wolfson if you can.

Debbie Leonard Lovejoy asked that the Guild again sign up as a group for the Global Quilt Connection Sampler, which is \$50 for the group. It was agreed to do so.
